WHAT OUR MEMBERS SAY

"The importance of being part of The Chamber Serving the Meeker County Area cannot be stressed enough. I have been involved with the Chamber since 2008, serving on the Chamber and Litchfield Visitor's Bureau Boards, as well as several committees. I have witnessed the growth and positive impact our Chamber brings to our local business community.

I encourage businesses, large and small, to get involved. The Chamber not only helps with recognition and networking, but also with connections to political forces that impact businesses through regulations."
